 **President's Column**

Abraham Lincoln

February 12, 1809—April 15, 1865

16th President of the United States

Kentucky native

It is a special title to be called President. It can be intimidating, stressful, humbling and enjoyable to serve with that title. My short tenure has been more of the intimidating and stressful nature. Fortunately, I am working with a very dedicated board of directors and serving a very worthwhile organization. My hope is to set a few goals that will benefit our association and make sure storytelling as an art form, an educational tool, a form of collecting and passing on history and a source of entertainment for all ages, will continue to flourish. If you have ideas or concerns, please don't hesitate to contact me. By the way, happy 203rd birthday to my favorite President, Abraham Lincoln.

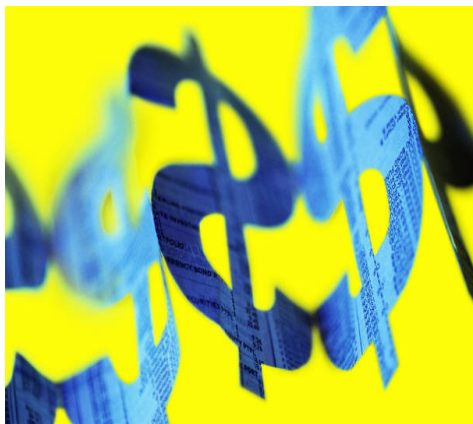

Can you help a feller out?

This newsletter is not only a benefit for the members of the Kentucky Storytelling Association, it can also be entertaining, a reference and a resource. This issue is a trial run being put together by a novice and wannabe journalist. I need your help. Please send me any announcements, useful tips, ideas for stories, upcoming events or storytelling experiences you have had.

If you have the desire to write a column or be a regular contributor, PLEASE contact me I welcome all submission and contributions. We are limited by space and time, but we need to hear from our members. Let's work together to make this newsletter a valuable resource for all of us. I am looking forward to hearing from you for the Spring issue.

Dues are ...

If you are reading this, you have probably paid your 2012 dues for your membership in KSA...or maybe not. It might have slipped your mind or its on a to do list that grows daily. Our dues run from the November conference, which is usually held in November or late October. In the past we have been a little lax at pressing people to make sure they pay their dues. The majority of folks who haven't paid, its simply a matter of forgetting. This is just a simple reminder. We sent out dues statements recently. If you sent in your dues, we are so appreciative. Thank you so much. If you are planning to do so, thank to you also. If you have any questions, contact one of your board members and we will help with follow up. Thanks for supporting KSA with your membership. We appreciate it.

On Air Around The World

Wouldn't it be cool to listen to stories on the radio? Actually, thanks to KSA member Buck P. Creacy, now you can. Buck has created a radio station called A World of Storytelling, available on the Internet. Visit www.Live365.com/stations/storytellingradio/ to check it out. You can listen to stories on your computer, mp3 player in your car or your smart phone. At present you can listen for three days straight and never hear

the same story twice! Pretty amazing. You can also get your recorded story on air. Call Buck at 502-370-5322 for all your questions. Currently, A World of Storytelling ranks 48th in the talk radio genre category. That is the same category that features Oprah Winfrey's Harpo Radio. Knowing what a hard worker and great storyteller Buck is, it won't be long before Ms. Winfrey's Harpo Radio is being challenged by "A World of Storytelling" on the airwaves.

Storytelling in Ministry

Another "storytelling in Ministry" conference will be held in Georgetown, Kentucky on June 21—23, 2012. You don't have to be in the ministry or even be a storyteller to gain a lot from this conference. More information can be found at www.TheChristianStoryteller.com or call Buck Creacy for more information at 502-370-5322
